## Summary:

I am a self-taught front end developer located in Wrocław. I started to learn programming a few months ago and constantly developing my skills at any occasion. Currently I work as a dancer and choreographer cooperating with many theatres in Poland. I am also a founder of club Nietota in center of Wrocław where I worked for six years. My dream is to become a full-time skilled developer and change theatre passion into a hobby.

## Skills:

- Html
- CSS
- Bootstrap
- JavaScript
- jQuery
- Sass
